Picker Joe's Antique Mall

The goal of the *Picker Joe's Antique Mall & Vintage Market* is to provide quality antiques, vintage goods, unique collectibles, and architectural salvage that our customers will cherish and enjoy. We have developed the following list of questions to provide us with information about the type of merchandise that a prospective dealer has to offer. In addition, it provides Picker Joe's a means of communicating our dealer expectations. We want you to SELL and we want our customers to be delighted with what Picker Joe's Antique Mall has to offer and be happy with their selections. This requires work both on the part of the dealer to maintain quality merchandise in a clean and well-designed booth, and the Mall to provide courteous and helpful customer service in a unique and friendly environment. "Picker Joe's – Where memories are sold."
